Sir:

Pursuant to the telephone request of the Examiner, Applicant submits a corrected version
of the Amendment filed on September 14, 2004 which now includes Claim 37 and Claim 52.

This paper is filed in response to a telephone call from Examiner Padmanabhan on June
29, 2004 during which he indicated that all pending claims, except the "device" claims would be
allowable. On July 15, 2004 the PTO issued its "Examiner's Answer." On September 9, 2004,
the Applicant authorized the cancellation of the device claims, without prejudice, however, to the
filing of a divisional/continuation application in which further prosecution of said cancelled
claims may be pursued. Accordingly, please amend the application as set forth below.

Amendment to the claims begin on page 2 of this paper.
